SUMMARY

Dedicated and efficient full stack developer with 1+ years of experience in application layers, presentation layers and databases. Hands-on experience in both Front-end and Back-end technologies like React, JavaScript, HTML, CSS, Node.js, Express, and Java to deliver exceptional customer experiences. Adept at contributing to a highly collaborative work environment, finding solutions and determining customer satisfaction.

PROFESSIONAL EXPERIENCE

C-DAC Delhi, New Delhi

May 2022 – Present

Full Stack Developer/ Project Engineer

While working with C-DAC I have been primarily involved in 2 projects:-

Project 1:

- Designed and Developed full stack Web-Application from scratch.
- Created UI wireframes and prototypes using figma
- Developed a robust and dynamic UI using React.js
- Created a library of re-usable Front-end React components for ease of future development.
- Implemented RESTful APIs in Express and Node.js

Stack: React, JavaScript, HTML5, CSS, PostgreSQL, Node.JS, Express, figma

Project 2:

- Collaborated with the UI design team to improve the website and applications.
- Maintained, developed and designed the public website on a regular basis.
- Implemented performance tuning techniques on stored procedures and back-end queries.
- Daily maintenance of code, debugging issues and solving client's problems.
- Presented findings in a clear and concise manner to key decision-makers.
- Worked with an agile team of 6 members and provided end-to-end UI solutions to clients.

Stack: Thymeleaf, Java, JavaScript, HTML5, CSS, PostgreSQL

Collabera Inc., Vadodara, Gujarat

Jul 2018 – Nov 2020

Technical Recruiter

- Being Recruiter, I have been Involved in the full recruitment life-cycle from understanding Client's resource requirements to delivering qualified consultants. I have been specialized in recruiting candidates for Oil & Gas, Aviation, Energy, Finance, IT Services and Telecommunication industries.
 - Process included Identifying, sourcing, screening and interviewing potential candidates for contract or Full-time openings. Prepping them up for screening and interview process with Client hiring manager
 - Worked closely with cross-functional teams like Sales, On-Shore team, Finance team and Employee relations. Managed operations, Initiated workflow and on-boarding process for hired consultants
